

Details about the 10th edition of the FieldRobotEvent.

This document describes:

- Arrival
- Access to the Floriade
- Your stay / house rules
- Departure

Arrival

The FieldRobotEvent 2012 will take place on the Floriade terrain in Venlo, the Netherlands. The Floriade is indicated on the highways towards Venlo. The following map is a screenshot from the website of the Floriade. Details can be found on www.floriade.nl.

When you are in the neighbourhood of the Floriade, please follow the signs “Floriade 2012”. This will lead you to the Floriade.

From there, you can follow the indication to visitors parking place, but you must **NOT** park there. (as an indication: you can enter “Heierkerkweg 1C, NL-5928 RM Venlo” in your navigation system, Parking place for artists).

Access to the Floriade

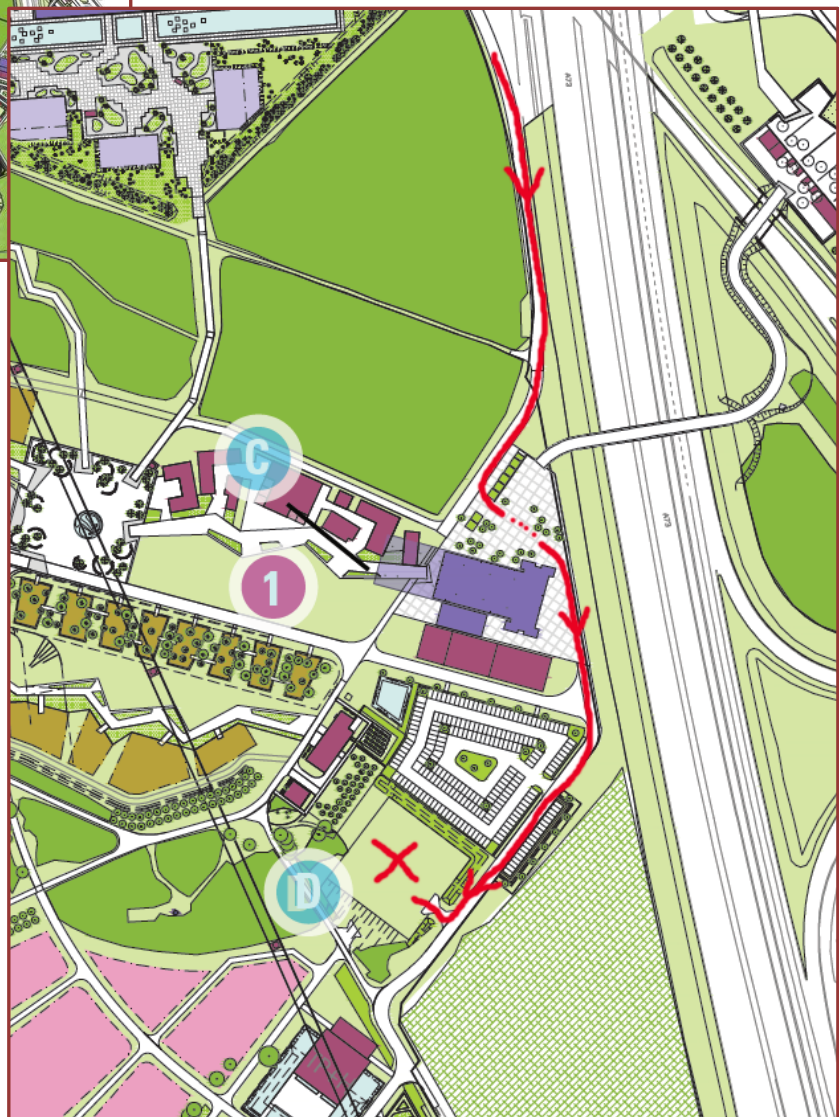

At the Parking place for artists (marked with a P in the figure on the left side), you park your car AFTER registration and unloading your equipment. First you need to drive to the FieldRobot-location, marked with an X. You can follow the signs “GATE G”/“GATE H”.

NOTE: you have to cross a pedestrian crossing (dotted part of the line).

On our own environment we have an exit (gate H) we can use to unload the equipment you bring with you. The first thing you need to do when arrived, is to report your group at this exit. The team captain receives wristbands needed for access to the Floriade and your parking ticket.

Next you can unload your car. After unloading, you must park your car on the parking place for artists. From there you have to walk back to the terrain (this is a 20 min. walk!!!).

Your stay at the FieldRobotEvent 2012 / Houserules

We have an environment of 50m x 60m reserved for the event. Everything will happen in this environment (testing, contest, eating, party, sleeping, shower, etc.).

For every participant, we organized breakfast and lunch on Friday, barbecue and party on Friday evening (with live music), breakfast on Saturday.

There are a lot of eating and drinking facilities on the Floriade. You can go as you like. During these 3 days, you have full access to all activities and are free to go around. You can buy food and drinks there, but you also can bring your own drinks.

ATTENTION: Glass is not allowed on the terrain! (no beer bottles, but canned beer, plastic bottles for refreshment/water!)

Every team has 2 tents (both 4x4m). One tent for sleeping, one tent for 'adapting robots'. The tents are placed on grass. You should bring sleeping bed and airbed (if you need one).

Every tent has a lot of power outlets, for recharging batteries for the robots, laptops, mobiles, etc. During the night, light will be available. Free WIFI is sufficient available. Toilets, showers are on the environment.

NOTE: Visitors have a limited time frame to enter and leave the Floriade. This is also applicable for us.

Opening times are:

Wednesday, June 27th: 10:00 – 20:00

Thursday, June 28th: 10:00 – 20:00

Friday, June 29th: 10:00 – 23:00

Saturday, June 30th: 10:00 – 23:00

Teams that booked INCLUDING low budget accommodation can stay on the Floriade. This is a special arrangement! After closing time and before opening time, you cannot leave the Floriade.

Teams that arranged hotel do need to leave before closing time and can enter the event after opening time.

We wish everybody a good trip, a good contest and we hope (and expect) you will have a great stay at the 10th edition of the FieldRobotEvent.

During the event (27–30 June) you can contact the organization on:
